## **REQUEST FOR SEARCH OF BURIAL/CREMATION RECORDS**

Thank you for your request for a search of the records relating to burials and cremations. Please complete the form overleaf. A fee of £25.00 per **5-name search** will be charged. For this you will receive copies of the burial orders or other relevant details.

Our registers contain over 400,000 entries relating to burial and cremation. We are entering records on a daily basis onto the computer.

### **Burials**

Computerised records presently go back as far as 1912. The original registers referred to commenced in 1859.

Should you wish to visit a grave, upon request, we can provide a map and detailed plan. Alternatively, we can arrange for a member of staff to meet you on site by appointment.

### **Cremations**

Records for cremations are held from 1953 when the crematorium first opened.

The cremation registers are not open for public inspection, however, information from the registers can be provided by staff.
