WESTERN CEMETERY MEMORIAL GARDEN SCHEME

In 1994 a garden was opened in Western Cemetery in response to a growing need for the families in the west of Cardiff to be able to scatter the cremated remains of their loved ones within their community.

The garden currently has two memorial schemes placed around the edge of the Garden of Remembrance. Each scheme offers a granite plaque with a personalised inscription and choice of design shown on the attached form. The designs can be inscribed in either gold or a colour of your choosing.

A space is provided for a vase behind the plaque enabling families to place a small floral tribute.

The scatter garden is surrounded by a pathway with seating areas, providing a tranquil setting for the memorial and a focal point for families to visit.

The fee for the plaque and lease for TEN years is £372.00.

Please allow a period of approximately eight weeks for the order to be processed and the plaque fitted in the garden. You will be contacted as soon as the plaque is fixed in place.

Please contact the Enquiries office on 029 2054 4820 to discuss any queries you may have.
